

## Rental Car Center and Parking Garage

### New Airport Rental Car Center Information

The Airport's new state-of-the-art Rental Car Center and Parking Garage houses all SJC rental car companies and operations, including customer service, administrative offices, ready/return parking, fueling and maintenance facilities. The facility has space to store 3,000 rental cars in one central convenient location right across from Terminal B to meet current and future needs.

The consolidated rental car center will allow the Airport's rental car companies to operate much efficiently, especially with the first "quick-turn-around" facility in the nation to open with indoor fueling stations and carwash racks operating on three elevated levels. The new structure has the "Hands" artwork on its east façade facing Highway 87, and it also has 320 short-term parking spaces on the ground level for Terminal B parking.

### Garage structure:

Ground floor	Public parking, rental car offices
Second floor	Hertz
Third floor	Advantage
Fourth floor	Avis
Fifth floor	Budget, Fox
Sixth floor	Enterprise, Alamo, National
Seventh floor	Dollar, Thrifty

**Accessing the Rental Car Center** – Terminal B passengers can walk directly across Airport Boulevard at the crosswalks from baggage claim to reach the Rental Car Center. Passengers arriving at Terminal A may take any Airport blue shuttle bus to the Rental Car Center. Rental customers departing from Terminal A can take the marked Inter-terminal Shuttle (blue bus) from the Rental Car Center to Terminal A. Individual Rental Car Agency Hours Vary. Please see listed hours below. Additional service is provided after hours for delayed arrivals. Should you arrive after hours and find no service, please call (408) 970-9623.
